

Dear Marine Corps Systems Command Employees and Families,

Welcome to Marine Corps Systems Command (MCSC)! We are happy you are joining our Command Family and look forward to getting to know you. We have a wonderful and dedicated Command and a fantastic team of families. We hope you enjoy your time with us and make some wonderful new friends.

We have an active family program called "Family Readiness On Point." We hope you will join us in various activities and events throughout the coming months. Our goal is to "Communicate, Connect and Care" for our families. We are here to make your life easier by providing information, educational materials, resources and support. It's not easy balancing home, work and life events, so we strive to give you tools to successfully maintain this healthy balance.

We have several communication tools to get the word out to our Command and their families. Get connected using these tools:

1. Monthly email newsletters: the Command newsletter called "The Point" and our "Family Readiness On Point" newsletter ( to receive the newsletters send your email request to [mcscpao@usmc.mil](mailto:mcscpao@usmc.mil))
2. Command webpage (Google "Marine Corps Systems Command")
3. eMarine website (eMarine.org)
4. Official Facebook page ("Like" the Marine Corps Systems Command FB page)
5. Official Flickr page ([www.flickr.com/photos/marinecorpssystemscmd](http://www.flickr.com/photos/marinecorpssystemscmd))

One of our newest endeavors is a monthly "Family Power Hour" meeting on the second Tuesday of each month. Bring a bag lunch and join us in T2209 from 11a.m. - 12 p.m. to learn about various family readiness topics. Bring your spouse, a friend or just yourself and come meet other families. Each month will be different and promises to be fun!

Get connected, stay involved and get to know each other. Our Command is truly committed to keeping faith with our families. Every family deserves our unwavering support. Family readiness will continue to be a top priority. By working together, we will build stronger families and a better Command.

We encourage you to learn more about our family program by contacting our Family Readiness Officer (FRO), Mr. Mac McManus, at (703) 432-3861. We welcome your input and will be happy to assist you with any questions you may have.

Please join us at our next family event to meet some new friends and enjoy some fun!

Sincerely,

A handwritten signature in black ink that reads "Traci B. Kelley".
