by the local CIG. In these situations the following considerations apply:

(1) A CIG may neither respond to nor deny a Request Mast on behalf of the commander, but may make appropriate recommendations pertaining to the Request Mast application to the commander. MARCORSYSCOM, CIG is authorized to open sealed request mast addressed "For the eyes of the Commander only".

(2) Any lawful communication made to a CIG will also constitute a protected disclosure under the Military Whistleblower Protection Act. Therefore, in addition to the protection afforded to a Marine for exercising his or her right to Request Mast under U.S. Navy Regulations and this Directive, further protection is afforded to the Marine under 10 U.S.C. Section 1034, Military Whistleblower Protection Act, as implemented by SECNAVINST 5370.7C, Military Whistleblower Protection.

5. Marines requesting mast will route their request through the appropriate chain of command.
