

## **2009 Marine Corps Explosives Safety Officers (ESO) Conference**

Published 6/16/2009

MARCORSYSCOM, Program Manager for Ammunition will sponsor and host the 4th biannual ESO Conference, 16-18 Jun 09 at the BAE Office and Conference facility on Garrisonville Road, Stafford VA. This conference provides Marine Corps ESO's with an opportunity to gather for training, discuss Marine Corps specific explosives safety topics and policies, receive updates and briefings from DoN and DoD explosives safety managers and policy makers, and network with peers across the Marine Corps. Further details are available on the POSD-EES webpage, Explosives Safety Officers Information Corner.
