Subj: Request For Iterative Transformation Initiatives (ITI)
Msgid/Genadmin/CG MARCORSYSCOM Ammo// Gentext/Remarks/1. The Ammunition Logistics Focus Team (ALFT) is chartered to identify, develop, and promote Iterative Transformation Initiatives (ITI) for the Marine Corps ammunition community and to serve as the ammunition (Class V (W)) transformation catalyst and forum to address any and all ammunition issues that require attention. 2. Request addees submit prioritized ITI with relevance to ammunition logistics in the context of current operations, the Log OA and Naval Logistics Integration (NLI). Request assistance in distributing this message to the entire ammunition community and communities that use Class V (W). 3. The ITI form is located on the PM Ammo public webpage at <http://www.marcorsyscom.usmc.mil/am/ammunition/alft/alft.asp>. Email the completed form to Ammomail@usmc.mil for review by the ALFT. 4. Addees submit FY09 prioritized ITI NLT 4 Sep 08 via the ITI submission process outlined at <http://www.marcorsyscom.usmc.mil/am/ammunition/> 5. Negative replies are required.//
