Welcome to the Plans, Operations and Safety Division (POSD) website!

Please use the links in the gray box to the right for access to POSD Team specific information.

Kudo's to MCIPAC/MCB Japan on the recent Explosives Safety Inspection. Camp Henoko had no findings and should be commended on their hard work and OUTSTANDING explosives safety posture. Likewise, MCAS Camp Pendleton was also singled out as OUTSTANDING during a recent Department of Defense Explosives Safety Board evaluation. Thanks for setting the example for all to follow!!!
