

<b>TOOL KIT, INTERMEDIATE LEVEL, ELECTRICIANS</b>																									
	<b>TAMCN: B7900</b>																								
	<b>ID: 11390A</b>																								
	<b>NSN: 5180-01-546-8026</b>																								
<b>Functional Description</b>																									
<p>The I-Level Electrician's Tool Kit is comprised of various hand tools and accessories to aide Marines in Military Occupational Specialty (MOS) 1141 to install and maintain interior and exterior wiring. The I-Level Electrician's Tool Kit comes in a rugged/transportable case, and includes electrician's tools, testers, and meters contained within its own rugged/transportable case with foam inserts and molded plastic trays for tool storage and protection. These new modernized tools are configuration controlled. Refer to SL-3-11390A for complete listing and description of tools. Forklift support is needed.</p>
