

YOUR EQUIPMENT IS THE FIRST LINE OF DEFENSE

MARINE CORPS SYSTEMS COMMAND PROGRAM MANAGER INFANTRY COMBAT EQUIPMENT

ALL PURPOSE LINER

Overview: The All Purpose Liner (APL) is an improved poncho liner with a reversible zipper, allowing the liner to be used flat or zipped into an envelope. It can be opened at both the top and bottom to adjust ventilation as needed. The APL can be used separately, or as an inside liner to the sleeping bag of the 3 Season Sleep System (3S) for additional warmth and comfort and to include the capability of emergency egress when combined with the sleeping bag.

Features: The APL inner and outer patterns are camouflage and desert color, allowing it to be used in various environments and terrains. When used with the 3S as an inside liner, the APL can expand the sleep system temperature by 9°F.
