Overview: The Mid-Weight (MW) Flame Resistant (FR) Cold Weather (CW) Pullover Shirt and Drawers provide protection in CW environments.

Features: The MW FR CW Pullover Shirt and Drawers are part of the Mountain CW Clothing Layering System. They provide improved moisture management and insulation in CW environments. The Pullover Shirt has a mock turtleneck collar with ¼ zipper and long sleeves with monkey paws. The Drawers have a hemmed cuff. The Pullover Shirt and Drawers come in a coyote stretch grid fleece material that provides moisture wicking and anti-odor properties. Both consist of no melt and no drip flame resistant material.

Components: Undershirt and Drawers.

Approved Acquisition Objective (AAO):

UNIT	AAO
I MEF	48,008
II MEF	43,137
