### USMC HOLSTER

**Overview:** The USMC Holster is a Commercial-Off-The-Shelf (COTS) holster for the M9 or M9A1 Pistol. It comes in right and left-handed variants. It replaces the M-12 holster.

**Features:** The USMC Holster quick detach feature allows for variable configurations: drop-leg, hip-belt, or Platform Attachment Ladder System (PALS).

**Components:** The USMC Holster consists of one composite/polymer holster with male quick detach connector, one drop leg platform with female quick detach connector, one mid-ride belt platform with female quick-detach connector, and one PALS platform with female quick detach connector. Additionally, one USMC Holster Repair Kit per 10 USMC Holsters is issued to each unit armory.
